

Rio Refugia celebra o Dia Mundial do Refugiado com festival multicultural no Sesc Tijuca

RIO DE JANEIRO – Neste fim de semana (20 e 21/06), o Sesc Tijuca receberá mais uma edição do Rio Refugia, festival multicultural promovido pelo Sesc RJ, Abraço Cultural, PARES Cáritas RJ e Feira Chega Junto, com apoio do ACNUR (Alto Comissariado das Nações Unidas para os Refugiados). O evento celebra o Dia Mundial do Refugiado (20/06) com uma programação gratuita voltada à valorização das culturas, saberes e trajetórias de pessoas refugiadas e migrantes. Durante os dois dias, das 10h às 18h, o público poderá visitar uma feira de empreendedores com gastronomia, moda e artesanato de diferentes países da América Latina, África e Oriente Médio, como Venezuela, Síria, Colômbia, Angola, Nigéria, Líbano, Irã, Cuba e República Democrática do Congo. A programação contará ainda com oficinas culturais e artísticas, apresentações musicais, dança, DJs, atividades de convivência e atrações para toda a família. As crianças também terão um espaço dedicado com brincadeiras e atividades educativas. Reconhecido como Patrimônio Cultural Imaterial do Rio de Janeiro, o Rio Refugia se consolidou como um espaço de encontro entre culturas, memórias e trajetórias de resiliência, promovendo a convivência intercultural, a geração de renda e o fortalecimento do empreendedorismo de pessoas refugiadas e migrantes. Além da programação tradicional, esta edição contará com novos espaços de convivência e circulação no Sesc Tijuca, além de áreas experimentais voltadas à ampliação da participação de novos empreendedores refugiados e migrantes. Outra novidade deste ano é a realização do Fórum Rio Refugia, encontro voltado ao fortalecimento das redes de acolhimento e à articulação entre organizações, coletivos e instituições que atuam com pessoas refugiadas e migrantes no estado do Rio de Janeiro. A atividade acontece nesta quarta-feira (17/06), na Casa Rosa, no Sesc Tijuca. Desde sua criação, o Rio Refugia vem contribuindo para a inclusão produtiva, a circulação cultural e o combate à xenofobia, valorizando as contribuições de pessoas refugiadas e migrantes para a construção de uma cidade mais diversa, acolhedora e plural.
